

## HAPPY NEW YEAR!

### Do you have a Community Project needing financial assistance?

As part of a Solar Park Planning Application the Community received just over £25,000 last year which was fantastic. In our May 2015 edition we invited you (and local organisations) to come forward with ideas on how the monies could be spent in the community. There was a stipulation that project(s) must be for the benefit of the Parish.

The Town Council received a vast array of requests but the final decision was to allocate just over £21,000 towards nine projects, this left a contingency of £4,000. As promised, in May we will be conducting an annual appraisal so are now inviting you to come forward with any further projects that might benefit from some, or all, of the remaining balance.

For further information on this or an application form please come into the Town Council offices between 9.00am and 2.00pm Monday to Friday or email [clerk@callington-tc.gov.uk](mailto:clerk@callington-tc.gov.uk). Closing date for receipt of applications will be noon on Friday 29<sup>th</sup> April 2016.

The Town Council will be setting up a group that will assess the applications and make recommendations on how best to allocate the remaining balance.

So if you have a Community Project that benefits the Parish, that would benefit from an extra boost albeit £40, £400 or £4,000 please consider this unique opportunity and put forward your application.

## Portreeve's Community Day

The Mayor and Portreeve of Callington, Councillor Andrew Long, will be holding the very popular Community Day on Saturday 23<sup>rd</sup> April in the Town Hall between 10.00am and 2.00pm. Community Day is a great opportunity for all local groups, organisations and charities to fundraise, promote themselves and recruit new members. It is a wonderful community event held in the Town Hall with refreshments served all day. If you are new to the area or just looking for something new to do this year, come along and see what Callington has to offer. You won't be disappointed!

If you would like to book a **FREE** table to raise funds or promote your group, please contact Jo at the Town Council office on 01579 384039 or email [jo.taylor@callington-tc.gov.uk](mailto:jo.taylor@callington-tc.gov.uk)

**The copy deadline for the March issue is 12 noon on Tuesday 9<sup>th</sup> February 2016**

Meetings are held at 10.45am every Sunday. The first Sunday service of each month is followed by a celebration of the Lord's Supper.

We also meet on the second and fourth Sunday evening in the Church Hall at 6.00pm for "Reading the Bible for all of its worth". This is a series on the great themes of the bible. Please contact Peter Thatcher for further details by telephone on 01503 262720 or e-mail at [mustardseedchurch@btinternet.com](mailto:mustardseedchurch@btinternet.com).

We hold house groups on Monday afternoon, Wednesday evening and Thursday morning. Details available by contacting Peter as above.

Second Tuesday of the month at 12 noon we hold a lunchtime fellowship. Join us for a light lunch and a chat.

On the evening of Sunday 31st January 2016 we will be having a visit from Dr Nicholas Fuller who is now pastor of Truro Evangelical Church. The subject of his sermon will be "Why I believe in a literal 6 day creation". Dr Fuller's qualifications are in science having studied at Warwick University at PhD level. He has spoken widely on the subject of creation to Student Christian Unions.

Please make a note of the date in your diaries. The Service will start at 6.00pm.

## Ladies Luncheon Club

Thirty ladies came together at Compton Park (Engine Room) for our January luncheon date and we had six new members join us.

Our conversation was all about our Christmas Lunch, such a wonderful time to spend together. The food was beyond what we expected. Hot, plentiful and delicious and the restaurant was beautifully decorated. As for the entertainment, twelve of us practiced the Maypole and got it right but on the day something happened. The spiders web never materialised, some one got it wrong but we blamed Father Christmas. Then we did the hand Jive, what a hoot that was. To calm us all down from laughing too much we sang some carols. Maureen Harvey played her accordion with the help of Santa, who has been requested to call again next Christmas. Our latest adventure is to join together to have a luncheon club on a Cruise ship, what a headache for me!

Twenty of us went off to see the pantomime Cinderella by coach from Callington. Hilary Yarnell, together with Sue Smith arranged it all, thank you both.

Our next Luncheon meeting will be held at The Cheesering Hotel, Minions on March 2nd. As we are now fully complimented we are unable to take on new members, but we do have a waiting list. Finally I wish to thank the ladies for the wonderful kindness and gestures they have shown to me throughout 2015 especially this Christmas just gone. A great bunch.

### **Family Pantomime at PrimRaf Theatre, Callington**

In the true tradition of pantomime, Callington Amateur Drama Society will be performing a classical story from the Grimm collection. This year it will be 'Rumpelstilzkin' by Norman Robbins. Children playing 'Letterword' ask Grettle if she can change flax into gold and she does. Unfortunately, the King hears of this not realising it is a game and orders her to turn flax into gold or lose her head. The devious Gnome offers to help but at a price. Well, when you come along you will see the twists and turns.

The performances will be on 11<sup>th</sup>, 12<sup>th</sup> 13<sup>th</sup> 18<sup>th</sup> 19<sup>th</sup> 20<sup>th</sup> February at 7.30pm with matinees on Saturday 13<sup>th</sup> and 20<sup>th</sup> at 2.30pm

Tickets are priced at £8.00 and under 16 £6.00, they can be purchased now online at [www.primraf.co.uk](http://www.primraf.co.uk) Alternatively, from Noakes Habermehl & Kerr, 49 Fore St, Callington. Early booking is essential to avoid disappointment.

Callington Drama Group has a long history of imaginative productions. Formed in 1949 they have their own theatre known as 'Prim-Raf Theatre which is now in its 50<sup>th</sup> year. For more information and membership, details contact 01579 383717, or go to the website and Facebook.

### **TWINNING ASSOCIATION QUIZ**

Ken Aspinall is renowned in Callington for his excellent quizzes and the coming months see a number of opportunities for budding Masterminds to get together and form teams to enjoy some evenings of cerebral gymnastics, each one supporting a local club or organisation. Why not get a team together and have a bit of fun on a Saturday night?

**6th February at Harrowbarrow Village  
Hall Supporting Christian Aid**

**9th April at Callington Town Hall  
Supporting Callington Twinning  
Association**

For more information please contact

## ARTISAN BREAD MAKING COURSES

Jane and Ian, baker and oven builder, are running a series of artisan bread making days in February. Jane will guide you through the baking (we make several different types of bread) whilst Ian stokes up the fire and ensures the lunch time pizzas are cooked to perfection. Novices and more experienced bread makers all welcome.

We strongly believe that these courses should be affordable to all, hence a charge of only £25 per day (excluding materials) with a maximum of 8 people.

For further information call us at home on 01579 382785 or Ian on his mobile 07771523505 or by email [janeweatherby@hotmail.com](mailto:janeweatherby@hotmail.com). We have a Facebook page with lots more information, look for Nine Acres Craft Workshops.

### **The Wheels on the Bus Go Round and Round**

Callington Primary School are very proud of their new mini buses! Special thanks to the PSA, the Co-Op in Callington, Callington Town Council and Callington Lions. Their support meant that the school could buy two buses. Don't they look smart?!

### **New Lollipop man for Callington!**

Local man, Gary Gibson, has stepped forward to become the Callington Community College new School Crossing Patrol after discovering that no-one had applied for the job since it became vacant in June 2014.

Gary served in the Royal Navy for 22 years and is well known in the local community. Gary said "I felt really strongly about children trying to cross the road here and this motivated me to apply". He joins two other patrols in Callington and a wider team in Cornwall. CORMAC Co-ordinator David Powell says "We are delighted that Gary is so community minded and has joined the team. After such a long gap with no patrol at this site on Launceston Road on the bend to Church Street we would ask drivers to remember to slow down and stop for the lollipop."

## **Three Murders and a Suicide**

Not a title to cheer you up on a dreary wet January morning! Our first meeting of 2016, Simon Dell, a retired Policeman, talked about his experiences with wit and humour. His stories were all linked by the County Pathologist, Dr Frederick Hocking. The first tragedy we heard about was the murder of a tobacconist from Falmouth. The investigation centred on a gun left at the scene which had been stolen in a robbery some years earlier. It was identified by its serial number, and the main suspect in that previous robbery was visited. He had in his possession a packet of Woodbine Cigarettes, again with a serial number, and identified as coming from stock delivered to the tobacconist that day. A repaired ten shilling note was also found on the suspect which matched a piece cut from paper found in the waste bin in the shop. He was found guilty.

We then heard about a war time affair which ended in tragedy when the lovers, about to be parted, decided on a suicide pact. They decided to shoot themselves in the summer house of the hotel where they were billeted as they worked on defence intelligence. The investigation by Dr Hocking proved that the lady involved could not have shot herself twice as her lover stated, as the second bullet which killed her, was shot from 18 inches away, hardly likely from an already seriously wounded lady. It was related twice over future years that a weeping lady matching her description was seen in the hotel's garden, still awaiting her lover, who was jailed.

Constantine in 1963 was the final murder we heard about. A young man, who avoided going to war in 1917, lived a secret nocturnal life helping to run the family farm. When his father and brother died, his mother moved away and they ran an isolated farm together. It was not until 1953 when the new Queen granted an amnesty for all war time deserters, that he was able to live openly. Ten years later he was killed during a robbery at the farm. A local man was suspected, and when questioned admitted that he had been there, but an accomplice had killed the farmer. During the trial a paper, written in Esperanto was translated to reveal the whereabouts of savings of £8,000 hidden at the farm. The farmer had been killed trying to guard his treasure.

Dr Hocking lived to be 98, and when his wife died he decided he wanted to be with her and committed suicide. He left notes explaining what pills he had taken and how they would have killed him, and also an apology to the Police Constable who had to deal with the suicide - Simon Dell!

### **Does Callington need a kick up the backside? What is there to entice people to come and visit?**

A local resident has written into the Town Council, explaining their disappointment with the lack of things to entice visitors to Callington, suggesting that we should have a regular market perhaps or a more diverse range of shops. The Town Council would like to hear what you have to say and whether you have any ideas that will improve things for everyone. These suggestions can then be shared with the various groups and organisations that are in the town so between us we can make your town a place to be proud of.

Have you made a New Year's resolution? If not, then perhaps could it be 'to give something to the community' – this could take many forms, for example joining a local group that works on community projects, doing some volunteering to help the young people or the elderly, offering your skills .....the list is endless. Help your community and build friendships along the way.

As a Town Council, we will have limited powers and resources but we will endeavour to facilitate any positive things as we can for YOU.

The Full Council meet on the 4<sup>th</sup> Tuesday of the month at 7.00pm in the Council Chamber, please feel free to come along and discuss your thoughts and ideas. Alternatively, meet your Mayor and Portreeve, Cllr Andrew Long, at his monthly surgeries. Details on the times and dates can be found on the events page (page 10).

# Callington Heritage Centre

Welcome to 2016, sounds pretty futuristic doesn't it? One thing for sure about the coming year is that if you don't step outside your comfort zone and take on something new nothing much will change. So in wishing you a "Happy New Year" and in relation to "Resolutions", I would urge those of you who are able and have the time, to utilise that to good effect.

Callington has many organisations, clubs, bodies, and good causes crying out for new members and volunteers. The plight of the KBRA (Kelly Bray Residents Association) whose struggle to keep the old WI building as a hub for the community being one such deserving cause. What has this got to do with Callington Heritage Centre? Well quite a lot. We are the keepers of the collective memory, the Town's identity, past through to present, a tangible link to those who have gone before - and we too rely on volunteers? So be positive and make a difference. Just when you think you've seen all the early images, be they postcards or photos of Callington we have once again been astounded to find a new one, courtesy of "cornishmemory.com". It is a postcard sized view taken, we think, from the area at the bottom of Valentine Row looking upwards across the town to the stack at Kit Hill. What is so important about that? Well, it is because pretty much the whole view is taken up by fields! The only identifiable buildings standing on their own are the terrace of Villa type houses on Launceston Rd which currently occupy the position between the present Community College and the old Secondary School buildings. As the Secondary School was built in 1913, the picture was clearly taken before then as that is significantly missing from this view. So if a current occupant of that terrace could get in touch and let us know in which year the terrace was built, that would be a great help. Just a reminder that the Heritage Centre will

be reopening at Easter (early this year) and that our current Membership Fees per annum remain at £7.50 per individual and £10 for a family, good value I think, considering there is free access to the Computers for Family History work and much help available in tracing those difficult Ancestors! We remain open on Friday afternoons 1pm – 4pm over the Winter. Oh and don't forget, we have a presence on the "Museums in Cornwall" website. Museum enquiries to Kay Greenstock 01579 383209 or Chris Cansfield 01752 851403.

Callington's Cricket Team taken outside the Clubhouse circa late 50s early 60s and features many of Callington's stalwarts.

## Are you a runner? Do you run for pleasure and fitness?

I am looking for interested people who, along with me, would like to bring the Park Run to Callington. This is a national free 5k run around the country and anyone can take part from 8yrs -80yrs and above!.

The Park Run is free to take part in and all that is needed is to register and download a barcode for the event which will be read on finishing the 5k. The run takes place on Saturday mornings with the help of volunteers, young and old alike. I am looking for fund raisers to help raise the £3,000 needed to create the event start up, which will then be matched from Park Run with a further £3,000. The idea is to bring people to Callington, encourage participation, increase health and fitness, whilst able to run in any park run in the country. Our nearest park run is Bodmin or Plymouth and travelling to either over 20 miles can be seen as a barrier to most people. With your help we can encourage local businesses, Lions, Scout Groups, Youth Groups etc to help get this event for Callington up and running. All we need is 3,000 people to donate £1 or 1,500 people to donate £2. Please Google Park Run UK....have a look.

So who am I? I have been a keen runner in the area for several years, many people know me or of me in the Callington area. I have run 120 marathons and competed in most distances I was not a natural runner and at times found it hard to stay motivated, I am sure if the Park Run had been around when I started, I would have found it a whole lot easier. If you are interested please contact me, Sharon Daw, via email [slash.dash.daw@gmail.com](mailto:slash.dash.daw@gmail.com) or 07837379305.

## Parking and Dog Fouling

*'Vehicles being parked on footpaths in Westover Road and St Germans Road and dog fouling in the same area is getting beyond a joke now!*

*A dog owner recently allowed their dog to foul in our driveway, and when confronted gave a torrent of abuse with foul language. Admittedly, they did return and pick it up later still hurling verbal abuse.'*

**Name supplied**

Please remember, you are required to clean up after your dog has fouled (and properly dispose of it) in any area which the public are entitled to have access to.

Failing to clean up after your dog will result in a fixed penalty being issued - which is £80 (reduced to £50 if paid within 10 days) or prosecution where if found guilty you would face a maximum fine of £1000. It is not an excuse in law that you were not aware of the fact that the dog had fouled - so you can be held responsible even if you did not see the incident, or if it is witnessed whilst the dog is straying.

# Films for Spring 2016

[www.http://callingtoncave.weebly.com](http://callingtoncave.weebly.com)

The spring selection of films will be aiming at those which are being singled out as prospective Oscar nominees or which have received particularly good reviews and/or success at recent film festivals. Going to the cinema in Plymouth is now not a cheap night out; recent surveys and questionnaires have indicated that there is a desire for films to be shown in Callington - at prices which are affordable. The more CAVE screenings are supported, the more we can respond by putting on more frequent showings and also by screening a wider selection of genres to suit a broader selection of personal tastes. We would welcome feedback of the film selections and also would love to hear of any films which you, the local residents, would like to see. We cannot guarantee that every film you select will be shown as there may be some copyright issues and licensing guidelines which we have to follow to keep within the letter of the law, but we will certainly do our best. Get in touch with us via the website above, or drop a letter to CAVE in to the Town Hall.

## COMING IN FEBRUARY

Thursday 25th February

# 45 Years

starring  
Charlotte Rampling & Tom Courtenay

*BAFTAs 2016*  
*Nominated for Best British Film*

There is just one week until Kate Mercer's 45th wedding anniversary and the planning for the party is going well. But then a letter arrives for her husband. The body of his first love has been discovered, frozen and preserved in the icy glaciers of the Swiss Alps. By the time the party is upon them, five days later, there may not be a marriage left to celebrate.

45 Years offers richly thought-provoking rewards for fans of adult cinema -- and a mesmerizing acting showcase for leads Charlotte Rampling and Tom Courtenay.

Although overlooked at the BAFTAs, Rampling is being tipped for Best Actress at this year's Oscars.

*"Courtenay and Rampling give exemplary performances."*

*"Rampling shines in this nuanced study on commitment and bonds in relationships..."*

*"Casts a hell of a spell. And Courtenay and Rampling reward the film with performances of uncommon subtlety and feeling."*

## CALLINGTON BOWLING CLUB

Well, another month has passed and our Christmas break is over. We have three teams in the leagues, Eagles, Falcons and Hawks. The Eagles are in the Premier League and at the halfway mark of the season they are in the lead. The Falcons are fourth in the league but only five points behind the leaders and at the moment are unbeaten on both of the mats at home. Most of our games in the second half are at home so we think there should be a chance of promotion. Hawks, however, have a run of bad luck and are holding up the rest!!! Things can only get better.

There is a bit of a lull at the moment so if anybody feels like having a go, just to say you have tried it, we always welcome new faces and could really do with some new members.

We now have a Skittle team and things are doing well but **we need some more Skittlers!** Come along and try your hand, if we get enough interest we will organise an open evening.

We have a regular coffee morning on the first Saturday of the month from 10.00am to 12 noon. Everybody is welcome. We also have Crafty Corner, an afternoon of craft making for those interested. Please support us you will be made most welcome.

## Concerned about potential planning applications and want to make comments?

Many of you will have seen and read in the press that the Government has set to increase the number of homes across the country and this will mean more development everywhere. Callington is not excluded from this target and we will see a rise in the number of planning applications coming through. At the time of writing this article, the draft agenda for the 19<sup>th</sup> January already includes two applications for outline permission, one application for 175 dwellings and one application for 17 dwellings!

The Town Council has a Planning Committee which meet on the 1<sup>st</sup> and 3<sup>rd</sup> Tuesday of every month at 6.30pm. At these meetings the Town Councillors make recommendations on the applications for our Parish and these comments are sent to Cornwall Council. The Town Council is a consultee in the planning process and the actual decision, albeit granting permission or refusal, is made by Cornwall Council.

If you would like to know more about the pending applications in a particular area, you can arrange to receive email alerts when applications are submitted. Please find below a link to the Cornwall Council Fact Sheet which explains how to subscribe, how to make comments about Planning Applications and guidance on what your comments should include.

<https://www.cornwall.gov.uk/media/12786869/How-to-Comment-on-a-Planning-Application-Fact-Sheet.pdf>

There is also a self-help video on the Cornwall Council website which takes you through the process of tracking applications and making comments.

<https://www.cornwall.gov.uk/council-and-democracy/website-information-and-help/help-commenting-on-a-planning-application/>

Our Town Council's Planning Committee Agendas are also available on our website, and taking this further we will be sending our regular reminders via our Facebook to keep you suitably informed.

## Parking in the Pannier Market

Over the forthcoming weeks we are looking forward to welcoming the Police into the Pannier Market as they will be leaving their existing premises by the traffic lights.

We have worked really hard to retain the Police service in Callington and I am sure you will agree it is advantageous for the entire community to have their physical presence close at hand.

This does mean that the parking in the Pannier Market will become increasingly limited as all the units are now occupied. During the working week it is particularly important that our tenants can get to and from their businesses, and we ask that you make alternative parking arrangements namely in New Road or the **free** car park at Saltash Road.

Parking in the Pannier Market area is restricted to:

**½ hour maximum stay for shoppers and visitors to the Pannier Market premises and Permit Holders**

Taking this forward, we will initially be putting out polite notices on vehicles that do not display a 2016 parking permit and are in breach of the Parking Order. For example, vehicles that have exceeded the permitted parking time, blocking fire hydrants, in disabled bays without a disabled badge, not parking within the bay markings. However, we are working with Cornwall Council to update the Parking Order and subsequent enforcement action will be taken when necessary.

It is great for Callington that all the units are now occupied but for their longevity the tenants and their customers need access to the units. We respectfully ask that when parking in the town you give due consideration to the traders and tenants of the Pannier Market and only use this area in accordance with the Parking Order. Similarly, if parking at the Pannier Market you give due care and attention for disabled access and emergency response vehicles. Parking carelessly could cost lives!
